

NDC Calendar for 2017

A big thank you to all the SIG's for the effort they have put into next year's calendar.

Hopefully the numbers participating will increase as the classes listed line up with events on the relevant SIG calendar.

Free Flight did this for the current year and the result was an increase in participants and the appearance of some names we haven't seen for a while.

Clubs, how about aligning your club events with the calendar and so logging more scores. Some. Such as Christchurch and Marlborough currently do this.

Come-on everyone, let's make 2017 the year we "have a go" and relive the days of old.

Remember the classes can be flown on any weekend in the month listed and the scores to reach the NDC Recording Officer by the 14th of the following month.
